Missionary Spotlight
for September
Nate Jore – Oral Institute Missionary

Missionary with International Orality Institute

Nate has been working with oral training since 2009 when the training began. His transition from Uganda to the United States allows churches in the US the same transformative opportunity that those in Uganda have experienced. He is a natural addition to the ministry team..

International Orality Institute mission is to come alongside church bodies who desire to study God's Word, and assist them in developing solid, biblical, and theological curriculum to train their leaders and pastors.

2 Timothy 2:2, "Entrust to reliable men who will be qualified to teach others."

Prayer and Praise August 2026

- Praise the Lord for the successful family camp in Ukraine June 26 – July 6 and the encouragement it will offer to the families affected by the war. Pray that they would be able to recognize and fight the spiritual battles of hatred, anger, and unforgiveness.
- Pray for the trip to Malawi from July 27 – August 8th. There will be a graduation in Zambia and in Malawi as well as a meeting with one of the classes in Mozambique. We are praying that gasoline will be available and for safety for Pastor Kevin, his grandson Josiah, and his brother Glenn as they cover many miles in these two weeks.
- Pray for the means to reach new countries and encourage the training in the existing countries.
- Praise the Lord for our international partners who have been training in Islamabad, Pakistan, Mozambique, and Zambia.
- Praise the Lord for successful training in Burundi.
- Praise the Lord for the classes that continue in the U.S.
- Pray for financial provision to go through the open doors the Lord is providing.

🎶 The story behind our guest speaker is one you won't want to miss.

Mark Schultz is a platinum-selling, Dove Award-winning Christian music artist with 13 No. 1 songs and more than 2 million albums sold. But before the music, there was a story.

Adopted at just two weeks old, Mark credits a pregnancy resource center and an adoption agency with helping his birth mother choose life. That beginning shaped not only his own journey, but his calling. Today, he and his wife, Kate, are parents to four children, including two adopted daughters, one of whom was adopted through the same agency that placed Mark as a child.

For years, Mark has shared his story through music and speaking at pregnancy resource center and adoption fundraising events across the country, encouraging audiences with a message of hope, faith, and the life-changing impact of compassionate care.

We are honored to welcome Mark Schultz as the guest speaker for Dakota Hope Clinic's CHOSEN Annual Fundraising Banquet on Sunday, September 20 at the ND State Fair Center.

🎟️ Admission is free, but reservations are required by September 1.

Reserve your seat today at **dakotahope.org/events**
or call 701-852-4675.

We can't wait to share this unforgettable evening with you.
