“Biblical Manhood”

By: Dr. Francis Monseth

Lesson: Part 1: The Recovery of Biblical Manhood

Biblical Manhood – Understanding the unique way in which we were created doesn't make us fully men. Getting married and having a family doesn't make us a man. Success in our businesses, achieving great wealth and power, receiving honor and praise by our peers—these are not the measure of real masculinity, biblical manhood. To be truly a man, biblically, we must commit ourselves with the will and the strength that only God can give us—to the pursuit of godliness. This is biblical manhood.
