Advent Devotional

In Genesis 3, God promises that Eve's offspring will be the Savior, the One who would defeat the deceiver, Satan. Genesis 3:15 is sometimes called the protoevangelium, the first Gospel. These devotions explore the promise of a Savior through the generations that follow. God's plan was that the Promised Child would be none other than the Son of God.

There are copies of this devotional available on the table in the Narthex, please help yourself to one

We believe

Every language should have John 3:16 at a minimum.

The Gospel is for all people.

Put simply, They Need the Bible.

A Team for every Language

We use innovative 21st century methods to build relationships with Bible-less people groups. Using available technologies, we can meet people from around the world, and organize passionate individuals into high performance teams through training and education.

National Language Resources

We also create Bible resources that encourage the growth of God's kingdom on a national level. This includes subtitles for Christian film, Bible Study materials, and the translation of Christian books and Study Bible notes.
